

## ***Dramatic Results***

- Botox works to remove fine lines and wrinkles.
- DermaPen makes skin look and feel fresh and new, stimulating collagen growth.
- Platelet-rich Plasma combined with DermaPen replenishes your skin with your body's own growth factors producing a smooth skin texture with no down-time.
- Chemical peels work to remove top layers of skin, stimulating collagen growth.
- Most procedures 30 minutes or less.

# Facial Rejuvenation | Anti Aging and Wellness Clinic™ | Look Your Best

## The New DermaPen®

The new DermaPen, **winner** of best new skin rejuvenation product in 2012. Now available at the **Anti Aging and Wellness Clinic!**

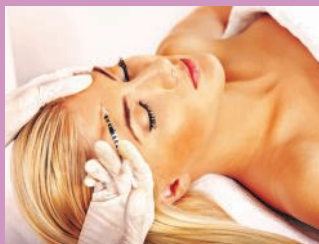

IMPROVES ACNE SCARS & MINIMIZES PORE SIZE AFTER 5 SESSIONS\*

Facial Rejuvenation at the **Anti Aging and Wellness Clinic** is a multifaceted approach. Not one solution fits all. It takes the right tools placed in the right hands to achieve a great outcome. Our procedures include:

- Botox
- Fillers
- Chemical Peels
- DermaPen Micro-needling
- DermaPen Micro-needling with Platelet-rich Plasma (PrP)

Dr. Mesen and his team at the **Anti Aging and Wellness Clinic** can help you **turn back the clock** in a matter of hours. Techniques we use require little or **no down-time**, but achieve amazing results. New technology like **DermaPen** and **PrP** are revolutionizing facial rejuvenation.

## DermaPen Micro-needling

No down-time and only 30 minutes
